### Newsletter 13 –12<sup>th</sup> March 2021

"Working together to build a strong foundation through Faith and learning"

#### Worship Theme for the Week-

Forgiveness- Putting the past behind us

#### Thought of the week

When you **forgive** you don't change the past, but you do change the future.

It has been wonderful to have all of the children return back to school this week. The children have settled back into their routines quickly and are enjoying being back with their friends and teachers. Procedures in school remain as they were before lock down. P.E days stay the same, children to come to school in their P.E. kits. Fruit has returned so all children will have access to their daily fruit snack. Staggered starts and end time remain-see below.

Please also see the link below and follow the instructions to ensure that we all work together to keep our school community as safe as possible
